

WHY GLOW & GROW

Beautiful Beginnings

FAMILY CENTER

*Before there were classes...
there were stories.* ♡

YOUNG MOMS IN OUR COMMUNITY

Young moms from all walks of life are in our community doing everything they can just to get through the day—loving their babies deeply, yet quietly carrying a weight many people never see.

So many of them were never taught the basic life skills most of us take for granted. Not because they don't care or lack motivation. But because no one ever showed them how.

Some have not been taught how to budget, to plan meals, to grocery shop on a tight income, or to prepare for postpartum recovery. What an incredible opportunity to equip these moms so they are parenting from strength & courage rather than survival.

Many young moms are not struggling because they lack support, guidance, and practical tools.

They deserve spaces that feel safe—places where dreaming, planning, and building a stable future is possible. These moms are courageously breaking cycles and shaping lasting stability for their children.

*Every mom has a story. Every story matters.
Every moment of support changes everything.* ♡

WE DON'T HAVE TO WAIT TO BEGIN MEETING NEEDS

While we prayerfully prepare to open the doors of our maternity home, we realized something powerful.:

This is where Glow & Grow was born. Young moms in our community need support right now—and we can come alongside them today with encouragement, skills, and hope.

RIGHT NOW—IN THIS VERY SEASON—WE CAN STEP INTO THE GAP.

We can come alongside young moms who are struggling not because they lack strength, but because they lack support, guidance, and practical tools.
